July 15 Quarterly Report (4-4-00 to 6-30-00)

Dear Ms. Kelly:

Enclosed please find our amended July 15th Quarterly Report. As per our recent telephone conversation, we inadvertently placed the Dealers Election Action Committee PAC check in the General 2000 period. This check was designated for the Primary 2000. Therefore, we have amended the aforementioned report so that the Dealers Election PAC check is designated for the Primary period.

If you have any questions in regard to this matter please do not hesitate to contact us

Very Truly Yours,

Jerri-Lynn Wier

Assistant Treasurer
